

AQA Biology (Combined & Triple)

Exam Structure

At Rossett students follow the **Triple or Combined Science AQA course**. In this course students will sit **two written exams** for each subject. For triple students this is **100 marks** and **1 hour and 45 minutes** for Combined Science students this is **75 marks** and **1 hour and 15 minutes**. The exam specification can be found here:

<https://www.aqa.org.uk/subjects/science/gcse/biology-8461/specification-at-a-glance>

<https://www.aqa.org.uk/subjects/science/gcse/combined-science-trilogy-8464/specification-at-a-glance>

Paper 1

- **Topic 1: Cell Biology**
- **Topic 2: Organisation**
- **Topic 3: Infection and response**
- **Topic 4: Bioenergetics**

Paper 2

- **Topic 5: Homeostasis and response**
- **Topic 6: Inheritance variation and evolution**
- **Topic 7: Ecology**

Exam Paper Practice

Once you have revised all of Paper 1 or Paper 2 content you now need to practice a full paper under timed conditions.

Knowledge to Learn

Prioritise which topic you are going to revise. Use your exam specification or topic **checklists** to help you.

Use the [Knowledge Organisers](#) and your **revision guide** to try to **memorise this material**. Use strategies like **read, cover, write check, brain dumps and making flash cards/ mind maps** as part of this process.

Self Quizzing Materials

Self test using **low stakes testing** to see if you have retained this information. This could include using **flash cards plus practicing some topic based exam questions and self assess** your answers using the mark scheme.

AQA Chemistry (Combined & Triple)

Exam Structure

At Rossett students follow the **Triple or Combined Science AQA course**. In this course students will sit **two written exams** for each subject. For triple students this is **100 marks** and **1 hour and 45 minutes** for Combined Science students this is **75 marks** and **1 hour and 15 minutes**. The exam specification can be found here: <https://www.aqa.org.uk/subjects/science/gcse/chemistry-8462/specification-at-a-glance>

<https://www.aqa.org.uk/subjects/science/gcse/combined-science-trilogy-8464/specification-at-a-glance>

Paper 1

- 1. Atomic structure and the periodic table
- 2. Bonding, structure, and the properties of matter
- 3. Quantitative chemistry
- 4. Chemical changes
- 5. Energy changes

Paper 2

- 6. The rate and extent of chemical change
- 7. Organic chemistry
- 8. Chemical analysis
- 9. Chemistry of the atmosphere
- 10. Using resources

Exam Paper Practice

Once you have revised all of Paper 1 or Paper 2 content you now need to practice a full paper under timed conditions.

AQA Physics (Combined & Triple)

Exam Structure

At Rossett students follow the **Triple or Combined Science AQA course**. In this course students will sit **two written exams** for each subject. For triple students this is **100 marks** and **1 hour and 45 minutes** for Combined Science students this is **75 marks** and **1 hour and 15 minutes**. The exam specification can be found here: <https://www.aqa.org.uk/subjects/science/gcse/physics-8463/specification-at-a-glance>
<https://www.aqa.org.uk/subjects/science/gcse/combined-science-trilogy-8464/specification-at-a-glance>

Paper 1

- 1. Energy
- 2. Electricity
- 3. Particle model of matter
- 4. Atomic structure

Paper 2

- 5. Forces
- 6. Waves
- 7. Magnetism and electromagnetism
- 8. Space physics (physics only)
